COULD NOT STOP IDAMAY SLUGGERS

Consumer Team Loses 11 Inning Game After Most Gallant Fight.

A home run clout far over the center field fence by Joe Phillips with the man on base and with the score tied in the eleventh inning scored two runs and defeated the Consumer baseball team in the first of their three game series with Idamay at Blackshore park yesterday. Score: Idamay 9, Consumers 7.

The homer in the eleventh which broke up the game was not the only fence buster poled by the old league star, for earlier in the game he had circled the bases on another home run drive over the middle field wall. And Joe was not the only Idamayite to clear the bases on long hits. "Bill" Ridgeley, the Idamay cleanup man, sent one of Lewis' offerings cleanly and lifted it over the left field fence for a homer. Another homer was made by Beveridge, the clever little Idamay second baseman who chose one of "Red" Hines' slants for his feat blow.

Idamay was loaded right and presented a team which was able to hit the ball, including such stars as Roy Keener, Joe Phillips, Talkington, Volt and Gibben. The visitors' hard hitting caught the Consumers off their balance for they were weak on pitching, Dugan being their only pitcher available.

When at bat in the third inning, Dugan was spiked by McCoy while the latter made an attempt to steal home. It was necessary to relieve Dugan in the next inning but who was to take his place? Lewis, the center fielder was called to the mound and explained to Manager Rothlisberger before accepting the invitation that only the day before he had pitched a nine inning one hit game at Clarksburg. After two home runs were made in the fourth inning he pitched, the S. O. S. was given and it was necessary to find another pitcher somewhere.

"Red" Hines, a Grant Town product, diked out in his Sunday clothes was a spectator at the game and gave up a perfectly good seat in the grand stand to go out to Lewis' rescue. With out even removing his collar and tie he warmed up and made his debut. His work as a pitcher for two innings was not half bad, allowing but one hit, this being a home run by Beveridge.

McCoy was the next Consumer to step on the rubber and it was off his delivery that Phillips made his home run clout that won the game. Talkington had singled a minute previous and both runs crosses on the drive by Phillips.

June started on the mound for the Idamay organization but was relieved in the ninth after the home team had reached him for a number of consecutive bingles. Dawson pitched the remaining two innings and held the Consumer outfit at bay.

Eight hundred fans saw the game which lasted for almost three hours due to a number of questionable plays and decisions. One dispute came in the ninth inning over a mistake by the score keeper who counted the score 3-7 in favor of the Consumers. Players and Umpire Johnson started off the field thinking the game was over. Hines was on second base and being of the same opinion as the remaining players started toward the bench. The mistake in the score was discovered and the ball played back to second base. Two men were out and Umpire Jacobs called Hines out and the side was retired.

Arrangements will be made for two more games between Idamay and the Consumer team to decide their supremacy. The score:

Sport Chatter

By The Onlooker.

It looks like a conflict over the grounds if many baseball games are played at South Side after the City league season ends.

Won't be long until the high school football team will be out for a part of the grounds.

One more game is scheduled between the Monongah Glass and Watson Building. It is the 1-1 time game played earlier in the season.

If some of those Idamay sluggers played in the City league, there would be a lot of free meal tickets exchanging hands.

'Twill be a shame if some one does not accept Harvey's free meal ticket before the City league seasons ends.

Monongah Glass Lost Premiership With Saturday's Game.

Unable to hit Lemley the Monongah Glass baseball team was the recipient of a 5-0 shutout at South Side park Saturday afternoon at the hands of the Watson Building nine. By winning the game, Monongah Glass was hoisted out of first place in the City league standing, the Skyscrapers taking the initial place.

Burns was hit freely, being relieved in the seventh inning by C. Long who pitched good ball, allowing only two hits in the remaining innings.

A crowd estimated at about 1,500 turned out to witness the game. Every fan present were well pleased with the clean-cut exhibition of the game put up by both teams.

The second game was a victory for the Wholesalers over the Mid-West by a 3-0 score. This game, too, was fast and was much more interesting than the usual second Saturday afternoon engagement. Reed and Harold each pitched shutout baseball.

CITY LEAGUE GAMES Begin at 6 O'clock

Beginning at six o'clock this evening, the West Virginian and Mining Machinery baseball teams will play in the City league engagement at South Side park. The change in the time of the remaining games in the City league was made necessary because of the shortness of the days, making it practically impossible to play seven innings after 6:30 p. m.

Tomorrow evening the Wholesalers and the Monongah Glass will play and another good game is expected. It will be remembered that the Wholesalers defeated the Glassmakers in their last game.

FAIRMONT, W. Va., Sept. 3.—[Sporting Editor The West Virginian.]—Just as a disinterested reader of your paper I can't see that it matters very much to the people of Fairmont as to who won the baseball game between the teams representing the Koppers Company's employees. This daily letter in your paper claiming a victory for both sides is getting tiresome. Would you mind telling them to enclose regular advertising rate with all such nonsense submitted hereafter?

WENDEL'S DEFEAT SWIFT AND COMPLETE

Game at Kingmont Yesterday Was Played in 75 Minutes.

It took the Kingmont baseball team just one hour and fifteen minutes to defeat the Wendell baseball team in one of the fastest games that has ever been witnessed on the Kingmont diamond when the two teams clashed there yesterday afternoon. The end of nine innings of play the score favored the Kingmonters by 4-0.

The game was snappy, each team playing fast and taking very little time between innings. Fielding features were made by both teams, two unusually good catches made by Lutzadder and Caplinger. Both were long flies and were caught after sensational runs.

Keener, Kingmont's star twirler who is considered one of the best twirlers in the region pitched his usual good game yesterday (allowing but five hits. Eight hits were made off Quinn, Kramer, Hartley and West were the leading sluggers for Kingmont, each of the three getting two hits. The score:
